**PLAINTIFF SOUTH CAROLINA’S MOTION FOR SUMMARY JUDGMENT**

Pursuant to Rule 56 of the Federal Rules of Civil Procedure, Plaintiff State of South Carolina (South Carolina or State) respectfully moves before this Court for an Order granting summary judgment in its favor on claims presented in the Complaint (ECF No. 1).

As more fully explained in the memorandum supporting this Motion, there is no genuine dispute of any material fact, and the State is entitled to judgment granting the relief sought in the Complaint as a matter of law. The Defendants owe non-discretionary, mandatory duties to the State under 50 U.S.C.A. § 2566 to (1) remove defense plutonium or defense plutonium materials from the State, and (2) to provide economic and impact assistance payments to the State, which

the Defendants undisputedly have not performed. This Court therefore has the jurisdiction and authority pursuant to 28 U.S.C.A. § 1361 and 5 U.S.C.A. 706 to declare the Defendants' failure to perform these duties unlawful and compel the performance of these duties.

Accordingly, the State respectfully prays that this Court grant the State's Motion for Summary Judgment and issue an order:

- A. declaring that the Defendants have failed to comply with their mandatory, non-discretionary duties pursuant to 50 U.S.C.A. § 2566;
- B. declaring and ordering the Defendants to immediately remove from the State one metric ton of defense plutonium or defense plutonium materials pursuant to their obligations under to Section 2566(c);
- C. declaring and ordering the Defendants to remove an additional one metric ton of defense plutonium from the State by December 31, 2016 pursuant to their obligations under Section 2566(d);
- D. declaring and ordering the Defendants not to move or transfer any plutonium to South Carolina, regardless of origin, until this Court enters an order finding the Secretary and DOE are in full compliance with Section 2566;
- E. declaring and ordering the Defendants to pay to the State of South Carolina, by and through the Attorney General of the State of South Carolina, economic and impact assistance in the amount of \$1 million per day, beginning on January 1, 2016, for each day the Secretary and DOE fail to remove one metric ton of defense plutonium or defense plutonium materials from the State during the first 100 days of the year; and

- F. retaining continuing jurisdiction over this matter regarding the Defendants' ongoing and continuous compliance with Section 2566.

Respectfully submitted,

Alan Wilson, Fed. Bar No. 10457  
Robert D. Cook, Fed. Bar No. 285  
T. Parkin Hunter, Fed. Bar No. 2018
